

REMARKS

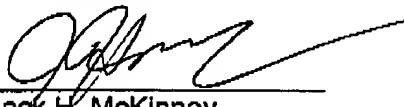

Claims 5, 7-10, 12, 13, and 21-25 are pending. Claims 1-4, and 14-20 have been cancelled so that they may be pursued in a continuing application.

In an Office Action mailed July 1, 2005, the Examiner allowed claims 21-25 and rejected Claims 1-4 and 14-20. However, the Examiner neglected to address Claims 5, 7-10, 12, and 13. Each of these Claims includes allowable matter as indicated by the Examiner in a prior Office Action mailed September 24, 2004.

As all of the pending claims include allowable subject matter, Claims 5, 7-10, 12, 13, and 21-25 are felt to be in condition for allowance. Consequently, early and favorable action allowing these claims and passing the application to issue is earnestly solicited. The foregoing is believed to be a complete response to the outstanding Office Action.

Respectfully submitted,

Antonio Martinez
